Work Effort

One-Time writing effort:

- In-House support or external resource - \$1,000

One-Time fee to add to website:

- Low cost programmer or in-house resource.

GURU TIP

Ensure that PDF downloads are set up as a conversion goal in Google Analytics.

Quick Win

Create a Lead Magnet

Quick Win #4: Create a Lead Magnet to Attract Buyers

Attract Buyers. Excite
your visitors by offering
something they value
→ **give it away for free!**

Quick Win #4: Create a Lead Magnet to Attract Buyers

When a company offers a tool or piece of high-value content for free – **without registration** – that content engages visitors to view more website pages.

GURU TIP

A lead magnet is gold in driving links and visitors to your site, year after year, at no additional cost.

Quick Win #4: Create a Lead Magnet to Attract Buyers

Solve an Annoying Problem for your Prospects

Identify a problem – then create a significant tool that solves it simply.

Quick Win #4: Create a Lead Magnet to Attract Buyers

- Solve one big problem: make your tool **easy to use and understand**. Complicated, multi-page ROI tools don't work
- Provide **instant results** solving one specific problem – preferably one that people need regularly
- Use this tool as a **content offering** for a remarketing campaign.

GURU TIP

Tools that solve a problem are more likely to be shared on social media.

Quick Win #4: Create a Lead Magnet to Attract Buyers

What is a Good
Example of a

Quick Win

Help a Reporter Look Like an Expert

Quick Win #5: Help a Report Look Like an Expert

Help a Reporter
Out (HARO) offers
a fast way to gain
online exposure as
an expert

GURU TIP

Journalists need
your story. You
get exposure and
inbound links.

Quick Win #5: Help a Reporter – Look Like an Expert

HARO connects journalists
with **expert sources** (you)
to meet journalists'
deadlines

When your content gets published it builds
links back to your site – and Google notices!

Quick Win #5: Help a Reporter – Look Like an Expert

Think of HARO as offering **FREE advertising** for your business in exchange for a rather small effort.

- To quickly answer journalist requests, pull content from your website and then lightly edit based on journalists' questions.
- The more effort you put into responding, the more often your content will be published.

GURU TIP

Create a cheat sheet of re-usable content and links to your photo & bio for quick follow-up.

Quick Win #5: Help a Reporter – Look Like an Expert

- HARO requests are time-sensitive. To be considered, **respond within hours** of receiving the journalist's request. To support this time crunch, create a cheat sheet of content answers to draw from
- It **builds inbound links**: Every article ToTheWeb provided to a journalist that was published online linked back to our site from the publisher's site – **at no additional cost!**

Quick Win #5: Help a Reporter – Look Like an Expert

Work Effort

Monthly 3rd party charges:

- \$19/month – don't go with the free version.

Monthly Maintenance:

- Allocate 15 min a day for marketing staff to respond to enquiries
- Share this responsibility with other internal content writers.

GURU TIP

Start a contest with co-works to award those who get the most content published by HARO.

Quick Win

Super-charge your blog content

Quick Win #6: Super-charge your Blog Content

Blogs are the **fastest way** for a company to expand its footprint on the web

B2B marketers that use blogs receive **67% more leads** than those that do not.*

* Source: Hubspot

Quick Win #6: Super-charge your Blog Content

Blogs are **inexpensive**
to produce and don't
need corporate
approval to launch

Quick Win #6: Super-charge your Blog Content

Identify topics that
have been popular
in the past in terms
of sharing

Search for popular posts your
competitors have written.

Quick Win #6: Super-charge your Blog Content

In-depth blog posts (over 1,000 words in length) often do better than short posts

- Write content with a conversational tone
- Think “evergreen” educational content:
 - Blogs have high bounce rates – add strong Calls-to-Action
 - Improve engagement by adding videos and images.

GURU TIP

Create high-quality, valuable, sharable in-depth content. It will drive buyers and rank higher in Google.

Quick Win #6: Super-charge your Blog Content

Are you one of the many bloggers who launch a post without asking these 3 important questions?

Quick Win #6: Super-charge your Blog Content

1. What keyword phrases do I want this blog post to rank for?
2. Who do I want to read this post? Who's my target audience?
3. What is the best call-to-action for this content?

Use [BuzzSumo.com](https://buzzsumo.com) to source topic popularity.
Use ToTheWeb's [customizable blog template](#) to track future blog ideas in the "Ideas Parking Lot" tab.

GURU TIP

Keep every post focused on the right audience and keywords.

Quick Win #6: Super-charge your Blog Content

Work Effort

Writing & Editorial Support

- Ghost writer - \$200 or use in-house writer.

Images

- Stock images - \$100 or use in-house services.

Website Integration

- Usually done in-house through a template.

GURU TIP

Include email list sign-ups as a conversion goal in Google Analytics.

Quick Win

Launch a Google Remarketing Campaign

Quick Win #7: Launch a Google Remarketing Campaign

The perfect audience – a previous website visitor you can entice back with inexpensive ads that appear where buyers are reading

Quick Win #7: Launch a Google Remarketing Campaign

Bring them back!

They visited your site once - now you can bring buyers back to your newest content.

With remarketing you can show ads to people who have visited your website or watched your YouTube channel.

It's very low-cost advertising.

Quick Win #7: Launch a Google Remarketing Campaign

Start with defining who you will target

Determine the Pages You Will Tag

Are these current visitors who visited high-value pages and never converted or did they only visit one select page?

GURU TIP

Remarketing is a marketer's low-cost way of driving high-converting traffic.

Quick Win #7: Launch a Google Remarketing Campaign

- **Tie Visitor Interests to Remarketing Content:** Separate out content to deliver to different types of visitors; a visitor on a product detail page about search engine marketing would not be remarketed with the same content as a visitor to a blog about pay-per-click advertising
- **Create Ads.** Static image ads work – but animated ads work better. Don't forget that you can easily test different messaging and ad styles
- **Establish the monthly budget.**

Quick Win #7: Launch a Google Remarketing Campaign

Work Effort

Text and Image Ad Design

- Text ads typically written using an in-house writer
- Image ad design - \$500/set animated and static for mobile and desktop.

Google Campaign Set-Up

- Source an authorized Adwords consultant on Google.
